No child is allowed out of school during the morning or afternoon sessions unless prior written permission has been requested by parents.

Attendance

Good attendance is clearly linked to effective pupil development and progress.

The academy has a clear attendance policy and procedure.

You must inform us by telephone by 9.30am if for any reason your child is absent from school. This is extremely important so please make sure you call. Please leave a message on the school telephone via option 1 for school absence, clearly stating child's name, class, reason for absence and relationship to child. If no information is received it is the school's policy to initiate a procedure of first contact.

Incidents of lateness will be recorded and monitored by the Principal.

If you require your child to attend a medical appointment during school hours, then an appointment letter/ card must be presented to the school office prior to this. We ask that you try to avoid taking your child out of school unnecessarily.

Dental and doctor's appointments should be made out of school hours.

Absence from school without explanation by a parent must be regarded under the Education Reform Act as an unauthorised absence and will be recorded as truancy.

Parents can expect a letter when their child's attendance drops below 95%. They will then be sent another letter to make them aware that if it falls below 90% a medical appointment letter/ card will need to be seen to authorise the absence. If this evidence is not received, the absence will be recorded as an unauthorised absence. Repeated unauthorised absences could lead to Education Welfare involvement.

We are required by law to complete an 'Absence Return' each summer term which contains information about unauthorised absences from school.

Children attend school **190** days in a year (380) sessions.

Total number of Teaching days	190
Teacher training Days	5
Total number of days for Teachers	195

Special Educational Needs

At Belgrave St. Bartholomew's Academy every pupil shares the right to an exciting, broad and balanced curriculum. Every child is respected as an individual and we make every effort to give children the support they require in order to access the school curriculum and environment.

If your child has a special educational need or disability we will use the 'Assess, Plan, Do, Review' approach to supporting their needs. This will involve talking to you about your child's difficulties so we can understand their needs. We will make an assessment of your child's learning so we know which skills they need to learn next and working with the parents, the SENCo and Assistant SENCo's will support and advise teachers so that your child can learn in the best way for them. We access a range of programmes/interventions to help children who need extra support and we work closely with a range of outside agencies and professionals when further input is required including the Educational Psychology Service, SEND Services, Speech Therapy, Counselling and a range of health professionals. We monitor the progress made regularly, involving parents in this process at least once a term.

Pupils with disabilities are treated in accordance with the provisions of the Disability Discrimination Act 1995. The school ensures that subject to certain conditions as set out in Section 317 (4) of the Education Act 1996, all pupils with special needs join in everyday activities with other pupils. The school's facilities comply with all current disabled access legislation as amended by the SEN and Disability Act 2001.

Child Protection/ Safeguarding

Belgrave St. Bartholomew's Academy is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

The school has a legal duty to work with other agencies in protecting children from harm and responding to abuse. The school regards this as an essential duty of care. Parents should be aware, therefore, that staff have a legal duty to report their concerns about a child who may be at risk of abuse or where there is a safeguarding or Child Protection concern to the Local Authority Safeguarding Team. Please note the Academy staff do not carry out investigations or make judgements.

Mrs Deaville is the Academy Designated Child Protection Officer and Mr Wood is the Governor responsible for Child Protection and Safeguarding.

Belgrave St. Bartholomew's Academy

Extra Curricular Activities

We are extremely fortunate at Belgrave St. Bartholomew's Academy to be able to provide a large number of out of school activities. The academy is proud to have been accredited with the Becta Award, Activemark Gold, The Healthy Schools Award, Sing Up Platinum, Primary Science Quality Mark Gold, School Games Silver, Arts Mark and the Fairtrade school award.

A current list of after-school clubs is available on request or can be viewed on the web site.

We also take part in inter-school sports competitions and leagues, cricket, athletics, football, netball and rounders. The school also promotes and advertises locally organised coaching and training sessions. After school clubs cater not only for those interested in competitive sport, but also for those children who just enjoy taking part.

Please encourage your child to take part!

Homework

Our school firmly believes that pupils should focus on the key skills when completing homework. These key skills underpin all areas of Maths and English and are fundamental in developing pupil's overall understanding of these two subjects. Therefore, compulsory weekly homework will at least comprise of weekly spellings, times tables/number work and reading at home with a parent or adult at least three times a week.

Reading

From their very earliest days in school, children will bring their reading books home to share with you. Please set aside a quiet time each evening to make this an enjoyable time together and record this in your child's planner.

School Planner

You will be encouraged to write in a planner shared with your child's teacher. Please use this as a useful communication channel between you and the class teacher. In addition, children in the junior classes may from time to time be given tasks to complete at home or be encouraged to undertake extensions of school work at home. Planners can also be used to record your thoughts on your child's progress and involvement but can also be used to notify a teacher about a problem at home or a concern that might affect a child's attitude or mood at school e.g. a family bereavement etc.

Assessment and Reporting to Parents

In accordance with current legislation regarding assessment of pupils, our children are formally assessed at the end of Key Stage 1 (7 years old) and Key Stage 2 (11 years old) in English and Maths, Writing is continually assessed through Teacher Assessments. Science is also assessed through Teacher Assessment, but schools will sometimes be selected to carry out a sample Science Test at the end of Year 6.

Pupils complete summative assessments at the end of each term and these are used to support teachers ongoing formative assessments, whereby teachers monitor pupils progress during lessons and from the work they produce. This not only tracks pupils progress, but also informs next steps for teaching and learning.

Summative Assessments are presented to parents in a written report towards the end of the school year. Parents evenings are held in each term to discuss progress and any concerns parents may have. Parents are welcome to make an appointment to discuss their child's progress at any time by mutual agreement.

Belgrave St. Bartholomew's Academy

Belgrave St. Bartholomew's Academy

School Visits Charging Policy

In accordance with the 1988 Education Reform Act the Governors have produced a policy statement on charging for educational visits. The main points state that for certain types of educational activities during the school day (e.g. class visits, residential visits, workshops, outings etc.) parents may be asked for a voluntary contribution towards the projected cost. However, no child will be placed at a disadvantage because of a parent's inability or unwillingness to pay. If however, as a direct consequence of a number of parents not paying, the total cost of the visit / trip is not met, then the event may be cancelled and all monies would be returned.

The school quite naturally, looks to the continued **support of parents in this matter**, thus enabling worthwhile visits and activities to continue.

A copy of the Charging and Remission Policy is available on request. Please note that the school makes a charge of 10p / copy for all requested photocopying, in line with guidance from the General Data Protection Regulation 2018.
